

# AVIAN Granulator

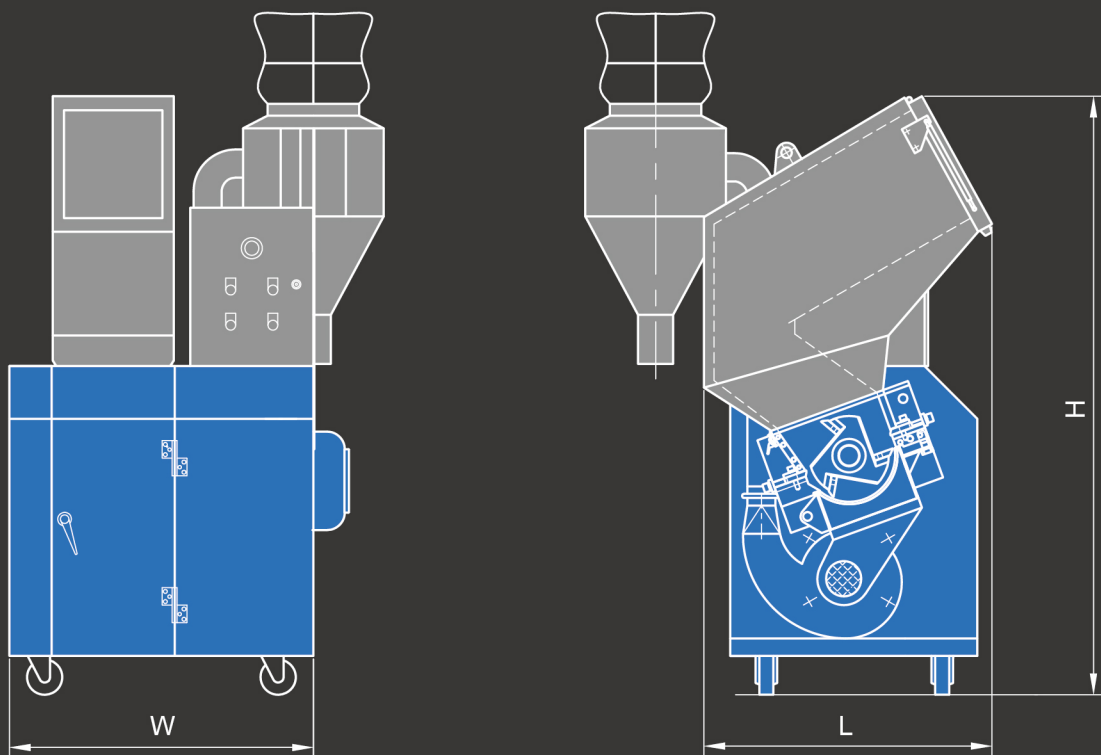

Avian **GH 30**

RECYCLE | REUSE THE FUTURE  
再生 | 重塑未來

High Speed  
Granulator  
全隔音高速粉碎機

Avian

## GH30 SERIES GRANULATOR

| Model<br>型號 | Motor KW<br>主機功率 | Cutting Chamber<br>粉碎口徑 | Cutting Knives<br>旋轉刀片數 ( 把 ) | Stationary Knives<br>固定刀片數 ( 把 ) | Screen Holes(Φ)<br>出料網孔 |
|-------------|------------------|-------------------------|-------------------------------|----------------------------------|-------------------------|
| GH30/20     | 4                | 300x200mm(12" x8" )     | 3                             | 2                                | 3~25mm<br>(1/8" ~1" )   |
| GH30/28     | 5.5              | 300x280mm(12" x11" )    | 3                             | 2                                |                         |
| GH30/36     | 7.5              | 300x360mm(12" x15" )    | 3                             | 2                                |                         |

| Model<br>型號 | Out put Max kg/h<br>最大粉碎量 ( 公斤/小時 ) | Blower Power(KW)<br>自動出料風機 | Weight(kg)<br>重量 | Hopper Opening<br>給料口尺寸 | Length x Width x Height (L x W x H)<br>長 x 寬 x 高 |
|-------------|-------------------------------------|----------------------------|------------------|-------------------------|--------------------------------------------------|
| GH30/20     | 100                                 | 1.1                        | 550              | 200x350mm(8" x14" )     | 820x800x1700mm(33" x32" x67" )                   |
| GH30/28     | 100~150                             | 1.1                        | 650              | 280x350mm(12" x14" )    | 820x880x1700mm(33" x35" x67" )                   |
| GH30/36     | 100~200                             | 1.5                        | 750              | 360x350mm(15" x14" )    | 820x960x1700mm (33" x38" x67" )                  |
